Dear Friends,

Earlier in the summer I spent some time in the Burgundy region of France living amongst the Christian community of Taizé. As part of a county-wide pilgrimage a small group of us took 31 young adults from across Norfolk to join the community for the week, living and working together.

Taizé is a community formed of Christians from all denominations and nationalities, who gather to study, pray and spend time in silence together. As you might imagine, it was rather a strange place to watch the Euros final, shoulder to shoulder with Spanish supporters and English alike. One of the main principles of the community is slowing down, taking time to appreciate the world around us and time in silence to reflect upon life and faith. Each morning there is a Bible reflection, the theme this year - what does it mean to listen? How do we listen to our communities well? How do we journey together with people who are 'different' to us?

One of the beautiful things about Taizé is the diversity of people there, yet there is the ability to get along. It is an interesting reflection of life in England and in our corner of Norfolk. We are full of beautiful diversity, people with many different heritages, characteristics, lifestyles, hopes and dreams - yet the lesson Taizé teaches us all is that we have far more in common than separates us. This is of course a pertinent reflection amidst the last few weeks of unrest in towns and cities up and down the country.

My hope and prayer in the coming months- as political friction is ever present, changes happen to the landscape of our villages, as society becomes more tribal - is that we would remember just how much we have in common, and let that be what ties our wonderful communities together, just as it does people from all over the world in Taize.

Yours in faith,

Revd Josh

Remembering Valerie Ann Dangerfield

Valerie was born in Twickenham, Middlesex, on 12th July 1943. She was the only child of George and Hilda Cole. It was through her best friend, Terry, that she met Anthony Dangerfield who was to become her husband. He proposed to Valerie following a job offer to work in New Zealand. After their wedding, in London, they set off on a 'slow boat' to New Zealand where they lived in Dunedin for two years, followed by six months in Blenheim. But Dunedin was the place they loved best and they returned there. They enjoyed life and the adventure of exploring the countryside on their Triumph motorbike. In 1969 they welcomed their first child, Katherine followed by their son Stuart in 1972. The family returned to London in 1977 and after three months travelling round Europe in a campervan found a house here in Norfolk – in Bridgham. The family later moved to White Hart Street in Harling. Val worked in Thetford and then at the John Innes Institute as a PA to many of the research scientists and senior researchers and visiting professors from around the world. She once remarked that trying to organize conferences or travelling arrangements for them was like herding a bunch of cats! Both children attended primary school then in the Old School Hall on School Lane and brought many of their school friends home with them. As a result she became more of a mother to a large number of their friends which continued to the end of her life.

Along with her father, George, Valerie became a much loved and valued member of the Church Family here at St. Peter's & St. Paul's. Her secretarial skills were instrumental when she became Secretary of the PCC. She supported the then Rector Revd Nigel Kinsella and the PCC for many years. She was also an active member of the "Events Team" memorably cooking a "Roast Beef of Old England" dinner for St George's Day alongside her team mates Judy Walls, Sue Dolling and Caryll Brown (as she was then) and helping to organize the 2008 Wedding Festival in the Church. She was particularly pleased with the key role she played in getting the Floodlighting of the Church installed and setting up the Floodlighting Requests for people to have the church lit on special days of celebration or in memory of loved ones.

Valerie was also a great supporter of many animal charities including the Owl Trust and was very fond of her family of Cavalier King Charles Spaniels, the original Bailey, followed by Max and Leo. In 2004, when Katherine and Paul were married, Valerie was thrilled to gain two granddaughters, Elizabeth and Sarah, whom she cherished. She was very proud of them both and always took great pleasure in all their achievements. She was a very proud Grandma at Elizabeth's wedding to Lee just a few weeks ago.

All the people at the funeral, childhood friends, work colleagues, church friends, village friends, neighbours & ex-neighbours – those of us who have known her for a long time and those of us for just a short time – dog walkers, cake makers ALL of us have appreciated and come to love that special 'something' that made Valerie the wonderful lady, the precious treasure, she was.

Thank You

We would like to say a special Thank You to Revd Caryll Brown and to all at East Harling Church for the funeral service of our Mum, Valerie Dangerfield, and the special celebration of her life, to Rosedales for their thoughtful and professional services, and to Truly Scrumptious for the delicious food. Thank you to all who came and the kind wishes and cards we received and the donations given in Mum's memory.

Loving Earth

A nationwide community textile project

featuring 75 different panels celebrating nature at St Peter and St Pauls, East Harling, Norfolk

Started by the Quaker Art Partnership in 2019, it has now received panels from all over the world and been shown in cathedrals, at COP26 and at the Houses of Parliament. We are delighted to now offer this exhibition in our Grade 1 listed medieval building.

THE GARDEN IN SEPTEMBER

Harvest Harvest Harvest! This is where the harvesting of all your produce steps up a notch.

Lawns: Grass has done extremely well this year. This is a good month to repair damage to lawns or to plant complete new ones from seed when the ground is still warm and moist, and the temperatures are unlikely to reach extremes in either direction. Keep new grass moist and give a cut towards the end of October with the blades of the mower set high.

Pruning: Prune buddleia hard when it finishes flowering.

Hedges: Give evergreen hedges a final light trim.

Cuttings: Take semi hard cuttings of evergreen shrubs and trees and shrub roses.

Plant: Plant or move evergreen shrubs, trees and hedging later in the month. Keep watered if necessary.

Perennials: Keep dead headed (unless you are leaving seeds for the birds) and cut down any dead stems.

Dahlias: Keep dead headed. Water if necessary and check your supports – we can get some strong winds in September.

Hardy Annuals: Sow in a cold frame or greenhouse over the next couple of months ready to plant out in March. Prick out when large enough to handle.

Biennials: such as foxglove, hollyhock and forget me nots can be planted out so that they get a good start next year.

Bulbs: Plan daffodils. Pot up daffodil and hyacinth bulbs for indoor flowering.

Strawberries: A good time to increase strawberry stock, put pots of compost next to your plants and peg down one runner into each. These will root quite quickly, then cut off runner and pot on.

Vegetables: You can still sow radishes and winter spinach. Plant out spring cabbage plants to towards the end of the month. Keep tomatoes and chillies well watered. Harvest what is ready

Pots and tubs: Keep well watered. Plant some bulbs in small pots which can then be planted on into tubs when you remove the summer bedding. **Daffodils and Tulips can be planted remarkably** deep in a tub leaving plenty of space at the tops for planting for Spring flowering colour, (bellis, pansies and primulas all do well). It is too early to plant Tulips in the ground.

Wildlife: Some birds use nest boxes to roost over winter. Take them down and rinse out with hot water. Allow to dry out before putting back up. Line with dry grass or straw to make them warmer for small birds. Leave some seed heads in place to provide an energy rich food source.

Leave fallen apples for the birds – if it is a cold winter, you may even get some winter migrants.

Christmas Tree Festival

After another successful Christmas Tree Festival in December, 2023, we are now starting to put together our list of participants for the Christmas Tree Festival, 2024. As in previous years we are hoping for local schools, clubs, businesses, shops and individuals to take part by decorating a tree. Last year we had a record of 84 trees on display for all the visitors to enjoy. It was truly amazing and we couldn't have achieved that without all of your support. 🎄🎄🎄

For those who haven't participated before, you will need to bring your own tree, real or artificial. Trees can be any size as we like a good variety. You will also need to bring your own decorations, including battery operated lights, preferably bright ones to enhance your tree. Also there are very few electric sockets in the church. Your decorations do not have to be standard tree decorations, though we welcome those too. We have been delighted with the imaginative and inventive ideas on show in the previous festivals. 🎄🎄🎄

We are setting ourselves a target this year of 100 trees and are also hoping to get the local press and television involved, so we really need your help to achieve this. Please spread the word! 🎄🎄🎄

The following is a list of dates and times for decorating your trees:

- Monday 9th December 10 - 3pm
- Tuesday 10th December 10 - 3pm
- Wednesday 11th December 12.30 - 6pm
- Thursday 12th December 10 - 7pm
- Friday 13th December 9.30 - 12.30pm

If none of these times are suitable for you, please contact Susan to arrange a more suitable time.... 07890 102392 or email the address below.

If you would like to participate this year, or have any questions, please contact Susan Wilson by phone: call 07890 102392, send a message or email: susanmwils@gmail.com

Times for visiting the Christmas Tree Festival will be published in the November and December Contact Magazines and advertised on our church Facebook page and website.

May I remind you we have a coach trip booked for The Christmas end of the Pier Show at Cromer, Tuesday 17 December, cost £40. We leave the market square at 10.00hrs arriving at Cromer about 12 noon leaving about 2 hours to browse the shops or have a meal before the show starts at 2.30pm. This trip is open to non-members, for more information phone Mary 01953 717193 or Jenny 01953 717911. Money must be paid by the end of October at the very latest.

At our September 10th meeting we have Veronica Colley with her dog Logan. She will be telling us all about her work with Hearing Dogs for Deaf People. She asks that you please ignore Logan at the beginning of the evening as it distracts him, there will be plenty of time later to make a fuss of him. See you there.

We meet at 7.30 on the second Tuesday of the month in the Old School Hall and visitors are always welcome for a low entry price of just £3, or why not become a member for a small annual fee of just £12 running from 1 April each year.

EAST HARLING WI

In July East Harling WI had an interesting talk from Tyrone Richardson-Best on his long and varied career in nursing and on growing up in Ireland, and his involvement in the aftermath of the Omagh bombing, it was very moving, and quite thought provoking. Many thanks to Tyrone for his time in coming to talk to us.

In September we will be having a talk from Leyla about her experiences working as a midwife in Ghana.

East Harling WI meet on the third Tuesday of each month at the Old School Hall at 7.30pm. All are welcome and we look forward to seeing old and new face. If you have any questions please ring Jackie Underwood on 07725 126115

NEWS FROM ST ETHELBERT'S LARLING

It is with great satisfaction that we can confirm the completion of major works to the roof and tower on St Ethelbert's Church.

The project costing just under £55,000 will keep our church in sound condition into the near future, fully realising that repair work on a 12th Century building is never totally completed.

Larling Parish Church Council would like to say a huge "thank you" to all the grant providers contributing to 60% of the costs. They were:

- Norfolk Churches Trust
- Benefact Trust
- The Geoffrey Whatley Charity
- Garfield Weston Foundation
- Paul Bassham Charitable Trust
- Aurelius

Our Treasurer, Mathew Welch, worked tirelessly to bering this grant aid together. His hours of work on this project have been much appreciated. We must also thank Ruth Blackman of Birdsall, Swash and Blackman for her outstanding work as our architect. S.A.L. Restoration from Norwich were professional throughout and completed the work to a high standard.

Special thanks must go to the late Mr Bill Caley MBE for the funding of a fine stone cross for the east gable sitting high on the church as a reminder of our summer of works on St Ethelbert's.

Well done to all concerned
