Dear friends

The morning that I write this, I was in one of the schools with which I am blessed to be involved, taking an assembly. The theme for this half term is 'Wisdom' ... a wonderful subject, but one that is quite tricky when trying to think of something helpful and interesting for 5-11 year old children!

In the end, I went to the beginning and said that wisdom starts with listening ... we discussed that for a little bit, but we ended by sitting and listening together. Not listening to anyone speak, or music or anything like that. Just listening to the space and the quietness around us (which, when you start to actually listen, you realise is anything but silent). Also listening to what is happening in our minds, our hearts, our bodies. We only did it for a few moments, but it felt like a beautiful way to start the school week, and the children were all able to do that thing of being still and listening, for a short time at least!

From a Christian point of view, I think that this is a good practice for us all – Psalm 46.10 says 'Be still and know that I am God.' Being still, listening, waiting, just breathing ... all of this (which basically adds up to the practice that we call contemplation) brings us into the awareness that God is with us, that we are utterly immersed in God's love, much as a fish's whole life is spent immersed in water. The fish swims around, and lives its life, but is surrounded and held by the water. So you and I do our work, and have our rest, and engage in all the thousand other things of daily life – but we are constantly held in God's love. Stopping, listening, waiting, breathing ... all these give us the chance to realise that this is the case.

And even if you are not of a religious persuasion – why not take time to do the same? To just stop, listen, wait, breathe. The worst that will happen is that you will have a few moments to just relax, to be at one with yourself and your world. Beyond that ... who knows what (or Who) you might encounter?

Your friend and priest

*Simon.*

**EAST HARLING FREEDOM OF THE PARISH AWARDS**

On the 6th May the annual Freedom of the Parish awards were held in the Old School Hall, to celebrate winners from 2019, Mr Philip Edge and Mrs Jean Denniss.

Both recipients have spent many years giving their own time to clubs, groups and organisations, supporting the community and helping make our village the wonderful place it is to live. The Parish Council welcomed the nominations of both Philip and Jean, and Lady Kay Fisher was delighted to attend the evening and present flowers and scrolls to both.

Also, the Parish Council presented a special Chairman's award to Elizabeth Mould, for her contribution during the Covid-19 crisis, when a helpline was set up by the Council to offer support to those who were isolating.

Liz has kept the phone line active for the last two years, and even during poor health and isolating herself, she continued to answer all the calls and get help to where it was needed most.

Kate Filby, Clerk to the Council would like to thank the ladies from the Hall for their support, Nathan Flatman for the photographs and his moving account of his own journey over the last two years, Laura's Flowers, Newton Press, Lady Kay Fisher and all Councillors involved in the day.

*I would also like to add thanks to Kate for organising the event which was a great success!* Editor

**EAST HARLING GARDENING CLUB**

Unfortunately Laura was unable to give us her talk in May due to an accident. We wish her well and look forward to seeing her again soon. We had an impromptu table quiz with coffee and biscuits, and it turned into a pleasant social evening with everyone having a good muddle.

May saw the welcome return of the annual plant sale after a two year Covid break, so hopefully the village should be full of home grown flowers and veg this year!

At the time of writing our first outing for 2 years has also been planned to Holt and Stody Gardens. Subject to demand, others can be arranged.

The June meeting sees a change of venue. We will meet on Tuesday 14 June at East Harling Church at the usual 7.30 for a guided historical tour by Sue Dolling. We often drive long distances to visit historical buildings, and yet know surprisingly little about those on our doorstep. This is an opportunity to see this Grade 1 listed building in a new light. Bring binoculars if you have them to get a better view of the stained glass in the East Window and the Angels in the clerestory windows in the Nave.

This tour is included with your membership. As always, visitors are welcome at a cost of £3, or why not join for just £9 for the year

**CHRISTMAS TREE FESTIVAL**

Many of you enjoyed our first Christmas Tree Festival in the church last December. The church looked absolutely amazing and magical and this was only made possible by all of you. As it was so successful, we are already planning our next one for December, 2022. Because we are expecting more contributors this year, as several people expressed an interest last year, we would like to start making a list already.

Like last year we are hoping for local schools, clubs, businesses, shops and individuals to take part by decorating a tree. Each contributor will need to bring their own tree, decorations and battery powered lights, as there are not enough power points in and around the church. There is, however, plenty of room for lots of trees.

If you would like to participate this year please contact Susan Wilson by phone: 07890 102392 or email: [susanwilson@gmail.com](mailto:susanwilson@gmail.com)

More details will follow over the next few months.

**EAST HARLING COMMUNITY GARDEN**

The Community Garden is in urgent need of more volunteers!

If you have an hour to spare anytime to help with maintaining the garden, please do let me know and I will put you in touch with the team.

If you haven't walked through The Poplars lately, the garden is looking amazing, well worth a visit to see what has been created

### 1ST HARLING SCOUT GROUP

We are proud to be at the heart of the community and offer the young people of East Harling and surrounding areas the chance to learn skills for life in a fun and friendly atmosphere.

Places are available now in Beavers (6-8 years), Cubs (8-10 1/2 years) and Scouts (10 1/2-14 years). The first taster session is free, so why not give it a try.

We are actively looking for new members and adult leaders / volunteers. Without good numbers of each we can't exist and grow. Please contact me if you are interested or know of anyone who may be. Full training is given and commitment can start from as little as an hour per week.

Thank you for your continued support.  
Lee Adams, Chair 1st Harling Scout Group. For more information ring 07785 908333

### Volunteers Required - Harling Colts Football Club

After a stop-start 2020/21 season due to the Covid-19 pandemic, Harling Colts were able to enter 7 Strong teams from U9's to U18's into league action this season (2021/22). Unfortunately, due to a lack of volunteers, we have had to turn away many new players (especially in the 5-8 age range) requesting to join our superb club & setup in South Norfolk.

With enough coaches, it would easily be possible to enter 10 teams from U7's - U16's for next season. Our priority is to set up an U7's, U8's and U9's team, so that many children can be introduced to, and be a part of a fun and friendly team. Could you help?

Harling Colts FC are a well-established 2-Star England Football Accredited Club. Formed in 1983 we are based in the Breckland district of South Norfolk with teams from U9's to U18's that mostly play in The NCYFL on our fantastic pitches in South Norfolk. Team usually train on various evenings during the week under the floodlit recreational ground in East Harling. We would provide as much support as possible to any volunteers who are willing to coach for us. This includes paying for all qualifications required and giving valuable coaching advice/support.

Please Contact Shaun Spurdens for any enquiries:  
07775 926875 or [shaunspurdens@icloud.com](mailto:shaunspurdens@icloud.com)

### GIRLGUIDING IN EAST HARLING

1<sup>st</sup> Harling Rainbows are celebrating their 10 year anniversary this year.

To mark the event rainbows have designed their first ever badge and identified challenges they want to complete to earn it.

The first challenge was potting up some spring flowers and delivering them to local businesses and community members in Harling and Kenninghall to say thank you for making their community special.

We have lots planned for the coming term and will end our celebrations in true guiding style round a campfire.

On behalf of Girl guiding we would like to thank all of the leaders, rainbows, parents and the local community for all of their ongoing support.

### HARLING 10K RUN

Planning for this year's 10k is going well with most things sorted.

**The race will take place on Sunday July 24th race start 10.30 am.**

If you would like to take part you can register online at [totalracetiming.co.uk/race/214](http://totalracetiming.co.uk/race/214). Please Note, that registrations cannot be accepted on the day (sorry).

If you have helped us before, being a marshal or a helper on the Rec or in any other way and can do so again this year, or would like to help for the first time could you please contact myself or Jenny to confirm your availability, please call me on 07881417807 or Jenny on 07901530636 .

As usual we will hold a Marshal/helpers meeting on the Friday 22<sup>nd</sup> July in the evening before the race to make sure everyone is ok with their race day position. That is on 7.30 at the club please.

Thanks everyone. ts your help that makes the day, ts have another good one.

Phil Blades and the 10k committee.

### HARLING WOMEN'S CONSERVATIVE GROUP

Our luncheon meeting in June is on Wednesday, 8th, 12 noon at the home of Mrs Carole Adams, 8, The Bailiwick. We hope to see you all then. New members are always welcome at the meeting.

### EAST HARLING WI

East Harling WI had an enjoyable social evening in February, when we tried various gins and had a go at making our own! I'm not sure if they were drinkable, but hopefully it may have inspired some members to have a proper go at making their own.

In March, our new local Priest Simon came and gave an inspiring talk about his life and how he ended up in Norfolk, he also entertained us with his beautiful piano playing. It was a most enjoyable evening, and we all agreed Simon would be welcome every month to come and give us an inspirational talk.

In June, Jane Kelly, will be giving us a willow making demonstration. Members and guests will need to bring £5.00 to cover the cost of materials, as we will be having a go at making something.

East Harling WI meet on the third Tuesday of each month, at the Old School Hall at 7.30pm. We are a small group, with a mixture of ages and look forward to welcoming new faces and look forward to seeing old friends - all are welcome. If you have any questions please feel free to ring me Jackie Underwood on 07725 126115.

**JUNE IN THE GARDEN**

Flaming June??? - you never know!

Well in spite of being unbelievably dry in April mother nature has done her thing and with 2 weeks to go in May everything in the garden is doing what it should, more or less on time.

Tasks for June:

**Wild flower garden:** At the time of writing (early May) I counted 14 different "weeds" in flower on the early morning dog walk up Lopham Road. Enjoy Mother Nature's garden while you are out and about. Already, though, the grass, nettles and brambles are beginning to choke them out. If you have set aside an area for wild flowers the same will happen unless you intervene. If anything is getting out of hand trim, thin or remove. Don't mow before late July, and always remove any plant waste from the site to reduce the fertility of the site - wild flowers do not need rich soil whereas most of their competitors do.

**Lawns:** Mow weekly when dry. If you have room try to leave a corner for nature (see above)

**Fuchsias:** Take cuttings from new growth early in the month. Remember to label - most of them look very similar until they flower.

**Roses:** remove any suckers as near to the base as possible. Cut out any dead sections. Dead head to encourage more flowers

**Perennials:** Cut down early flowering varieties when the flowers finish to about 3 inches above the ground. Dead head lupins and other perennials as soon as the flowers are over and with a bit of luck you may get a second flowering in late summer.

**Greenhouse:** Apply shading to prevent scorching. A small box of shading powder when mixed with water will cover an 8ft x 12ft greenhouse. Finish pricking out seedlings. Plant tomatoes, peppers and cucumbers either in the ground or large pots in the greenhouse.

Remember to keep watered - the sun can be hot at this time of year. Keep well ventilated.

**Pots and tubs:** Keep well-watered remember the 7inch (17cm) rule. An inch (2.5cm) of water will soak down 7inches (17cm) of compost. Feed flowers with a high potassium plant food weekly. Remember it rarely puts an inch of rain down, so even if we have a wet June the containers will still need watering, and if they are against a wall there will be a rain shadow (an area where little or no rain falls due to the overhang of the eaves.)

**Bulbs:** divide and replant daffodils, narcissi and bluebells.

**Fruit:** Cover with netting unless you are growing for the birds! Particularly red currants and cherries. Pick red and black currants and gooseberries when they are ready. Continue pulling rhubarb and remove any flower stems before they set seed (flowering saps the strength from the crown and weakens the plant for next year).

**Vegetables:** a busy month. Remember the separate flower and vegetable plots is a Victorian invention - if you only have a small space there is no reason why you shouldn't mix veg in with your flowers, or most can be grown in pots.

**Sow outdoors:** French and runner beans, beetroot, carrots, lettuce, peas, radishes (a few at fortnightly intervals), spinach and swedes.

**Plant out** Broccoli, brussels sprouts, cabbages cauliflowers (not fantastic in the dry Brecks soil), leeks and tomatoes.

**Harvest:** asparagus (until the middle of the month, then leave to build up the plant for next year), late sprouting broccoli, broad beans, spring and summer cabbages, radishes anything else that is ready.

**General:** If you haven't already, clean off the barbeque - with a bit of luck the weather will be kind and last year's restrictions are no more!

Good Gardening

### East Harling Fete is back and it's bigger and better than ever!

Sunday July 3rd heralds the return of our popular village fete. Between the hours of 12-4 pm, Poplars playing field will provide fun for all your family. We've got a BBQ, bar, tea, cakes, Pimm's, strawberries and cream, music and dance performances, traditional family games, craft stalls and even a fun dog show for your furry friends to join in. Tug of war returns this year too.

Bring a chair and make an afternoon out of it. We'd love to see you there.

NEW FOR THIS YEAR! The Great Harling Bake Off. Who has the best Victoria Sponge? Two Adults categories... "Cake and Biscuits" and "Victoria Sponge" and for the children, 3 age groups "7 and under", "8-11" and "12-16". For more info/entry form [email eastharlingevents@gmail.com](mailto:eastharlingevents@gmail.com)

**\*EAST HARLING FETE COULD DO WITH HELPERS!\*** Could you spare an hour or so on fete day to help us set up in the morning? Or even better- could you help us pack away? You know the saying... 'Many Hands make Light work!'. We would really appreciate some help on the day. So if you can spare some time, please text or call Lydia on 07851 09862

### SUPER SWING BIG BAND

Originally booked for May 2020 to celebrate the 75<sup>th</sup> Anniversary of VE Day, but then having to postpone due to Covid, we were at last able to welcome the Super Swing Big Band to the Church on Saturday 7<sup>th</sup> May.

It was well worth the long wait as it was a wonderful evening of entertainment. Over 100 people enjoyed listening and dancing to 1940's and 50's music, many dressed for the period, making for an amazing atmosphere.

A big thankyou to our two sponsors, and to everyone who helped in many ways to make it a great success. Also special thanks to everyone who came on the night and helped raise much needed money for the Church Roof Appeal.

Watch out for a return visit next year!!  
Dorothy

### Ramblings from Brettenham

Where have all the raindrops gone, long time falling  
Where have all the raindrops gone, long time ago  
Where have all the raindrops gone, long time passing  
When will they ever learn to come back to Brettenham.

This sums up, I think, the importance of the rain to us all. As our bodies need to be constantly hydrated, so do the crops - whether farming or otherwise all plants depend on moisture in the ground to grow at this special time of year. The trees, need to be able to absorb water to sustain their roots safely and to grow to majestic heights for us to admire, shelter under and enjoy.

The newly arrived visiting house martins, having travelled miles to return to their original nesting sites, need to have the puddles to be able to collect the mud for the building of their little nests on the sides of our houses and buildings. The wildflowers and meadows need to have moisture to grow and hopefully enable us to enjoy a mixture of colour, a variety of flowers and weeds, some native to the Breckland area and others like the common cudweed, which is critically endangered in Europe is we are delighted to find growing in the church path for all to enjoy when visiting.

The newly drilled sugar beet seeds can be seen gradually coming through the land, they need to have moisture to be able to grow on and of course in the longer term be able to produce sugar for all of us to use in the future once it has been processed. The cereal crops need to grow on for us to have a successful corn harvest and the straw which will be needed for the bedding of the livestock or for use at the local power plant will ideally have to be longer before the combines are rolling once again as the 2022 harvest gets underway.

Rev Simon sent us a prayer for rain a couple of weeks ago and although we have been recalling the words, we still need to see much more falling from the skies. I realise that a little is better than none and we are grateful for what we have had but the main rain across the country seems to have been either in the West or further up North, come East is what we need!! During the dark hours would be better for the holiday makers etc!! *but please just rain.*

In the meantime, let us hope for safe days ahead, especially when we think of those trying to cope with all the tragic events across the lands. We hope that you will enjoy celebrating the platinum jubilee in a variety of different ways (let's hope it doesn't rain on the event days!) and of course if you wish to join us for a service on the fourth Sunday of each month at 11.00am you would be more than welcome.

Take care and keep safe, Peter & Mary

SNYSB has a completely inclusive policy and aims to break down barriers to making music. Any player aged over 8, regardless of ability, can join the Band without having to audition. The Band used to have an upper age limit of 23 but this has now been removed and the Band re-branded as SNYSB+ to welcome older players who wish to either return to the Band or join the Band as an adult player. Playing with SNYSB gives members opportunities to play exciting music with like-minded, enthusiastic players, as well as accomplished professionals. It also gives a purpose to the time spent learning scales and studying for music exams. Band members are encouraged to continue to study and to enjoy making music. The Band also helps bridge the gap between school and adulthood and encourages the youngsters to keep playing. Many musicians have graduated through the Band and have succeeded in making music their career.

We will be having an open evening at 7pm on Tuesday 14<sup>th</sup> June 2022. Come along and see what we are about or join us on any Tuesday evening. If you would like more information, please email Jan on [j.mcclintock451@btinternet.com](mailto:j.mcclintock451@btinternet.com)

**Harling Theatre Company** presents the  
fabulous play *Rookery Nook*, a farce by Ben  
Travers

Rhoda Marley seeks refuge overnight from  
her tyrannical stepfather and lands at the  
door of Gerald Popkiss, **in her pyjamas**. He is  
alone, and his wife is away. Fearing a  
scandal, he attempts to conceal Rhoda's  
presence from nosy domestic staff and from  
his highly suspicious in-laws, with the help of  
his cousin Clive. Needless to say things do  
not go according to plan. An hilarious farce  
that has plenty of twists and turns to keep  
you laughing throughout.
